Introduction to Learner Web
January 22, 2013
What Is the Learner Web?

• It is *NOT* just another distance learning system

• A research-inspired *Learning Support System*

• Designed to work with, enhance and coordinate existing learning resources, programs & services

• Provides structured and supported *Learning Plans* that students follow to reach specific goals

• Learning Plans connect learners with online resources and with staff and volunteers in schools, community-based organizations, agencies & workplaces
The Learner Web is customized by region and/or community

WELCOME TO SYRACUSE LITERACY ZONE
