

Lesson 30: Quiz 7 - Prepositions

Directions:

Read Dora's description of her room. Look for the prepositional phrases that show spatial relationships. Copy and paste or write the prepositions you find in the box below. To copy the text, left click just before the text you wish to copy and drag to the end of the text you wish to copy. Right click the highlighted text and select Copy from the menu. Then right click in the box below and select Paste. The first prepositional phrase has been underlined for you.

My very compact room is located on the second floor to the right of the stairs. My bed is underneath the narrow window in the center of the room. A tiny closet is opposite the window and to the left of the closet is my dresser. On the wall next to the dresser is a round mirror with a tile frame. Above the bed is a light fixture that hangs from the ceiling fan. The mini night table is sandwiched in between the bed and the doorway.

1. Enter the prepositional phrases from Dora's paragraph below.

Directions:

Using Dora's paragraph as an example, write your own paragraph about one of the following places you know very well. Use prepositional phrases that show spatial relationships. Bold them by highlighting the prepositional phrase you write, and selecting the capital "B" in the editor options above the answer space. Select the subject for your paragraph. (Include the topic you chose as the title for your paragraph.)
