

Lesson 29: Quiz 3 - Make Your Own Metaphors

Directions: Make your own metaphors. Compare the item on the left to the one on the right. Remember to think about what that object would do if it were the item you compared it to. Think about what that object would do or feel if it were a person or an animal. Follow the examples.

Examples:

The road / a conveyor belt

The road was a conveyor belt carrying cars, trucks and buses.

The trees/ soldiers

The trees stood at attention, guarding the area from invaders.

1. The snow / a mother

2. The train / snake

3. The telephone / dentist's drill

4. My favorite chair / an old friend

5. The photograph / ghost

Lesson 29: Quiz 3 - Make Your Own Metaphors

6. The insects / computer game

7. The wind / an animal

8. The trunk in the attic / a storybook
