

Lesson 19: Jump Right In! Write Your Own Essay

Purpose of Lesson 19: Jump right in! Write your own essay!

Skills: Editing, proofreading, reading comprehension, vocabulary, and writing.

Dear Learner:

You have done a fine job helping Dora go through the writing process. Now it is time for *you* to write your own essay. Ms. Shine is going to give you a topic to write about. Write an essay going through *all* the steps of the writing process. You can do it!!

You have two choices. Select one and use the writing process to write your essay. You have all the necessary tools to write a good essay, so write with confidence and enjoy what you create.
