

Lesson 23: Quiz 3 - Writing Practice Using Transition Words

Directions: Write about the selected topics. Make sure to use complete sentences.

1. Write at least three sentences in which you tell about what you do on a typical day. Use correct time order, transition words and supporting details in each sentence.

2. Write at least three sentences in which you give directions to someone about making a sandwich. Use correct time order, transition words and supporting details in each sentence.

3. Write at least three sentences about a trip that you recently took. Use correct time order, transition words and supporting details in each sentence.
