

Lesson 54: Quiz 1 - Area of Triangles

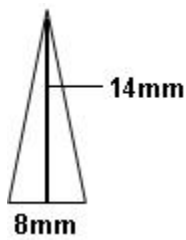

Directions: Find the **base** (b) and **height** (h) of each triangle.

Example:

base = 3m
height = 7m

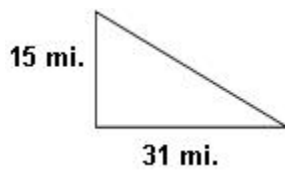

1.

base = _____

height = _____

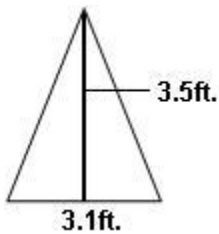

2.

base = _____

height = _____

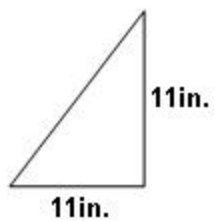

3.

base = _____

height = _____

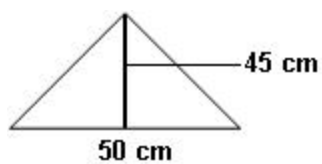

4.

base = _____

height = _____

5.

base = _____

height = _____
