TO: All AEPP Funded Programs

FROM: Fiormelissa Johnson, Director of Adult Education Program and Policy (AEPP)

SUBJECT: Individual Student Record Form (ISRF) and Barriers to Employment Script - FY24

The purpose of this memo is to provide AEPP funded programs the updated ISRF form for FY24 and accompanying Barriers to employment script (Script) to help guide programs to accurately capture student data for reporting. The script is not all inclusive and can be adapted to better serve your programs. Within the intake process, programs must make every effort to engage students in meaningful conversations that are not intrusive but lead to the capturing of student's needs. Programs may not provide students with the ISRF form itself, but rather through conversations aimed at capturing student data.

Individual Student Record Form (ISRF) - Sections

The ISRF has 12 sections defined below. In the Barriers to Learning and Employment Script, each section will be addressed to indicate questions or prompts to guide in the capturing of the student data. All 12 sections require responses:

- 1. Student Demographics
- 2. Data Matching: Social Security Number
- 3. Gender
- 4. Employment Status
- 5. Race/Ethnicity
- 6. WIOA Co-Enrollment: Student receiving additional WIOA services
- 7. Educational Background
- 8. School-aged Children: Is the student a parent
- 9. Barriers to Learning and Employment
- 10. Student Signature
- 11. Marketing
