

Appendix 8

Locally Accredited Training Course Requests

For programs that are including Training course(s) that have not been approved by NYSED/K-12 CTE Office:

Your BOCES or local school district has the statutory and regulatory authority to offer occupational/career programs to adult populations under the oversight and accreditation of the local boards of education (without the need for additional NYSED program-level approval or oversight). The AEPP office is prepared to provide EPE funding to support these courses.

Appendix 8 must be completed and signed by the Superintendent or District Superintendent as part of the application process.

Training courses may be proposed for EPE funding two times per fiscal year; 1) the initial application completed annually by **June 15, 2025**, or in the month of November for approval and implementation in the second half of the fiscal year. These are the only two opportunities for programs to add Training courses for EPE funding. There will be no exceptions.

It should also be noted that credentials achieved through any Locally Approved Training Courses will not count toward Measurable Skill Gain unless/until those same credentials are approved under separate WIOA funding.
