**FY2025 - 2026**

Projected EPE state aid (from page 3 of the application) \_\_\_\_\_

Administrative salaries listed in code 15 and data entry salaries listed in code 16 must conform to the requirements on page 3 of the Overview and Instructions. The application will not be approved unless the minimum administrative staffing requirement is met. Funds to support program administration can be from sources other than EPE aid; however, would need to be explicitly identified.

While an FS10 is not required for State aid programs, SED is requiring this information to enable staff to review the appropriateness of expenditures. This is a non-binding budget, i.e., funds that are allocated to one cost category can be moved to other categories and the total amount allocated may be greater or less due to a lower allocation than requested, a reallocation, or higher or lower EPE generation than anticipated.

**SALARIES FOR PROFESSIONAL STAFF: Code 15**

Include only staff members that are employees of the agency. Do not include consultants or per diem staff. Do not include central administrative staff members that are considered to be indirect costs, e.g., business office staff. One full-time equivalent (FTE) equals one person working an entire week each week of the project. Express partial FTE's in decimals, e.g., a teacher working one day per week equals .2 FTE. It is necessary to include the FTE in order for staff to determine that minimum requirements for program administration and data staff have been met. Hourly staff may be listed using hourly calculations as long as there is evidence in the previous section entitled Program Administration and Data Entry that confirms that the minimum requirements for staffing are being met. **A full-time program director equals 1.0 FTE. Program director is a required position and should be reflected below.**

As applicable, the EPE budget narrative, submitted with this application, must explain how the position is funded through a WIOA Title II funded project and will provide full support to the extent of EPE funding required per the schedule listed above.

**SALARIES FOR SUPPORT STAFF: Code 16**

Do not include central administrative staff members that are considered to be indirect costs, e.g., account clerks. **A full-time data staff person equals 1.0 FTE, data staff is a required position and required FTE should be reflected below.**
